## Mulgrave Private Hospital - About Us

Mulgrave Private Hospital is an acute medical and surgical hospital, conveniently located in the South-Eastern suburbs of Melbourne. The hospital, previously known as The Valley Private, was opened in 1984 and was the first private hospital in Victoria to have an Emergency Department.

Since 2007 Mulgrave Private has been owned by HealthCare, one of the largest providers of private health care in Australia with 17 hospitals and medical facilities.

We offer diverse nursing opportunities across a wide range of clinical areas at undergraduate, graduate and post-graduate levels. We are looking for student nurses to join our friendly and dynamic team, who are enthusiastic and dedicated to providing high-quality, patient-centred care.

### Our specialties:

- ✓ General medical

# Graduate Program

The aim of Mulgrave Private Hospital's Graduate Nurse Program is to provide a positive and supportive environment in which graduate nurses are encouraged to develop both clinically and professionally, while gaining exposure to a variety of clinical areas. Our education and clinical teams are committed to assisting in your career development and ensuring your graduate year will be an exciting and rewarding experience.

## PROGRAM DETAILS:

- 12 month contract, 6-10 shifts per fortnight
- 2 x 6 month rotations
- Opportunity for the second rotation in a specialty area (ICU, CCU or Emergency Department)
- Opportunity to progress into our Introduction to Specialty Program on completion of your Graduate Program

## SUPPORT THROUGHOUT THE PROGRAM:

- Dedicated graduate nurse educator team
- Supernumerary time at the beginning of each rotation
- Paid Graduate Study Days
- Dedicated preceptors
- Support from Clinical Nurse Educators- covering both early and late shifts on weekdays
- Support from Nurse Unit Managers and departmental staff
- Regular Graduate Engagement Sessions
